The company

EUROFOAM Hungary Ltd.

Po. Box 16,

3792 Sajóbáony, HUNGARY

is granted authorisation according to Oeko-Tex[®] Standard 100 to use the Oeko-Tex[®] mark, based on our test report 60-19/3T-2014

Tested for harmful substances
according to Oeko-Tex[®] Standard 100

25.3.0137

INNOVATEX

for the following articles:

Polyurethane foam: Normal (N), High resilient (R), and Viscoelastic (V) types (including types treated with biological active products accepted by Oeko-Tex[®]) for the production of furniture, mattresses and other applications up to the thickness of 20 cm.

The results of the inspection made according to Oeko-Tex[®] Standard 100, product class I have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA, with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex[®] mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

This authorisation is valid until 31.07.2015

Budapest, 21.07.2014
